Dear Harold, I talked to
Jim Logan recently, and
he mentioned you were ill.
Hope it's nothing serious, but

Remembering you warmly
with best wishes for everything

that makes the holiday season

special to you

we must have yet another
string of Bush-CIA covert
assassinations in our hands. I'm concerned. So many
What are your symptoms?

Check out arsenic - That's
what I suspect with Mae.

I now know for sure Bud,
Jim, & Bob are CIA. Best,
Paul
